THERE'S AN APP FOR THAT!

HOW DO YOU PLAY?

LINK IS A PHYSICS GAME TO PRACTICE YOUR ENGINEERING SKILLS. FIRST, CHOOSE A CONSTRUCTION MATERIAL TO BUILD YOUR BRIDGE. TAP THE ANCHOR POINT TO BEGIN. AFTER CREATING YOUR BRIDGE, TEST ITS STABILITY BY TAPPING THE GREEN PLAY BUTTON. IF YOUR BRIDGE COLLAPSES, YOU MUST REVISE YOUR BRIDGE. IF THE TRAIN IS ABLE TO CROSS THE BRIDGE, MOVE TO THE NEXT LEVEL!

PROS and CONS

- 1. Fun and Engaging
- 2. Great Graphics
- 3. Challenging

- 1. NOT Suitable for All Ages
- 2. Only 8 Levels with Free Version

OTHER GREAT APPS FOR PHYSICS! CHECK THEM OUT!

TINKERBOX is another great FREE app! This is a physics puzzle game that lets you explore your creativity and imagination!

Monster Physics is SUPER FUN and only .99! Build and operate your own car, crane, rocket ship, plane and helicopter! Put your physics skills to work and set your imagination free!!!
